SUMMARY

Aspiring Python and Full Stack Developer, currently pursuing a B.Tech in AI & Data Science from Poornima University (2022-2026). Proficient in Python, Flask, and MySQL, with experience in developing over 10 scalable web applications. Committed to clean code, data security, and user-centric design principles.

EDUCATION

BTech (Computer Science and Engineering specialization in Artificial Intelligence &   Data Science)
- Poornima University, Jaipur   08/*2022–05/2026* | CGPA: 7.62 (6th Sem)

Senior Secondary (PCM)
- Target School, Jaipur   07/*2020–03/2021* | Percentage: 94%

SKILLS

- **Programming Languages**: Python, HTML/CSS(Basic)
- **Frameworks & Libraries**: Django, Flask, SQLite3, MySQL
- **Tools**: Git, WordPress, VS Code
- **Soft Skills**: Problem-Solving, Team Collaboration, Time Management, leadership

PROFESSIONAL EXPERIENCE

Full Stack Developer | ALDS Solution   Jaipur *05/2025 – 07/2025*
- Developed and customized responsive WordPress sites, integrating plugins and APIs to enhance functionality.
- Used Python to generate and manage JSON files, and worked on basic backend tasks for form handling and data storage.
- Collaborated with cross-functional teams.

Python Developer Intern | GIP TECHNOLOGIES PVT. LTD,   Jaipur *05/2024 – 06/2024*
- Developed and debugged Flask-based web applications using Python, HTML/CSS, and MySQL, improving code efficiency by 25%.
- Implemented secure authentication systems and database schemas.

Freelance WordPress Developer | Self-Employed
- Built 10+ responsive WordPress websites.
- Achieved 95% client satisfaction rate through iterative feedback loops.

PROJECTS

Portfolio Website | Flask, SQLite3   GitHub.   Deployed link
- Designed and deployed a personal portfolio to showcase projects, skills, and professional work.

Personal Finance Manager | Flask, SQLite3   GitHub.   Deployed link
- Engineered a web app with user authentication for tracking income, expenses, and financial reporting.

Bulk Email Sender | Python, SMTP   GitHub.
- Automated email delivery for over 1,000 recipients with real-time status updates, reducing manual effort by 80%.

Link Shortener Web App | Python , Flask   GitHub.   Deployed link
- Built a scalable URL shortening service with unique code generation and redirection logic for efficient link management.

Qr_Code Generator Bot | Python, Telegram   [Github](#)   [Deployed Link](#)

- Created a Telegram bot that instantly generates QR codes from any user-provided text input.

Weather App Project | Python, MySQL, Django   [GitHub](#)   [Deployed link](#)

- Built a web application that leverages external APIs to deliver real-time weather conditions to users.

Attendance Checker App | Python, Flask   [GitHub](#)   [Deployed link](#)

- Developed an application for students to monitor attendance, track absences, and use analytical features to prevent shortfalls

CERTIFICATIONS

- **Python for Data Science** | IIT Madras (NPTEL) | *2023*
- **Programming Fundamentals in Python** | Infosys Springboard | *2024*
- **Python Essential Training** | LinkedIn Learning | *2023*
- **Python Programming** | Let's Upgrade | 2023
- **Basics of Python** | Infosys Springboard | 2024
- **Python 101 for Data Science – Certified** | IBM Developer Skills Network | 2025
- **Introduction to NoSQL databases** | Infosys Springboard | 2024
- **Python Fundamentals for Beginners** | Great Learning Academy | 2023

Achievements

- **Flipkart Hackathon Participant** – Competed in a Flipkart-hosted hackathon, applying problem-solving and coding skills in a competitive environment.
- **Tata Crucible Campus Quiz 2024** Represented Poornima University in the Tata Crucible Campus Quiz 2024.
- **RSCIT Examination – Certified** – Information Technology (RSCIT) Examination, conducted by Vardhman Mahaveer Open University (VMOU), Kota in collaboration with RKCL. The certification validates knowledge and skills in computer fundamentals, internet, MS Office, and digital literacy.
- **Supervised a Team at IIFA Show (Jaipur)** – Led and managed a team during the IIFA event in Jaipur, ensuring smooth coordination and execution of tasks.
- **Volunteering Experience** – Volunteered for event management and coordination at major concerts, including the Karan Aujla Show and Arijit Singh Show.
